The map shows a region in France with various towns and roads. Three purple callouts are overlaid: a star-shaped one at the top left, a rounded rectangle in the center right, and another star-shaped one at the bottom right. A pink line with arrows indicates a route starting from the top right, passing through Malans, and heading south towards Crouzet-Migette. The background is a detailed topographic map with contour lines and place names.

Regroupement
Malans
